## Objective

To thrive in a challenging position in the video and 3D animation field, where I can apply my knowledge, passion, creativity, and commitment in a fast-paced stimulating environment

## Education

Rensselaer Polytechnic Institute, December 2008, Cum Laude  
B.S. in Electronic Media Arts and Communication, concentration in 3D Animation  
GPA 3.6, Dean's List

## Technical Skills

- **Maya** with modeling, UV mapping, texturing, rigging, particles, expressions, MEL scripting, nCloth, hair, lighting, and rendering in Mental Ray
- **Mudbox, Zbrush** sculpting and exporting various maps
- **Realflow** fluid dynamics and simulation
- **Photoshop** texture mapping, texture painting, and photo manipulation
- **After Effects** and **Nuke** for compositing
- Video editing using **Premiere**, **After Effects**, and **Encore**

## Professional Work Experience

- |  |  |
|--|--|
| <b>VTour</b><br>Video and Photo Editing  | June 2011 to Present<br>Truckee, CA        |
| Creating virtual tours using photo stitching, video editing, and image processing software. Building photo animations and morph effects to achieve an enhancing web experience.  |  |
| <b>Molecularium Project</b><br>VFX and Technical Animation   | January to September 2008<br>Troy, NY      |
| Produced complex particle-based animations for IMAX production. Troubleshooting, problem solving, modeling, rigging, texturing, scripting (expressions and MEL), and rendering. Gained production experience working with a team on a shot-by-shot basis in a deadline-driven environment. |  |
| <b>Northstar-at-Tahoe</b><br>Cinematography and Photography  | November 2010 to April 2011<br>Truckee, CA |
| Shot and edited videos for events and mountain activities. Created motion graphics and titles consistent with Northstar's image. Captured general mountain photography daily.  |  |
| <b>Freelance</b><br>VFX, Game Design, and Motion Graphics  | May 2009 to Present<br>Truckee, CA         |
| Created realistic animation products and game characters for several companies. Developed high-end promotional materials with complex motion graphics.   |  |
| <b>Cortland Youth Bureau</b><br>Cinematography and Photography   | April to September 2009<br>Cortland, NY    |
| Filmed various events and programs offered by the Cortland Youth Bureau. Interviewed participants and staff and produced and edited promotional and educational videos.  |  |

## Activities and Interests

Painting, photography, snowboarding, skateboarding, windsurfing, and hiking.
